

APPENDIX B
STATEMENT OF SIEMEN ROELOF VAN DER HEIDE AND
JOOST MARTINUS HERMANUS PARENT

Sieman Roelof Van der Heide and Joost Martinus Hermanus Parent declare that:

The invention described and claimed in U.S. national entry patent application number 09/936,632 filed September 12, 2001 was invented with our contribution. We have reviewed the claims of this application and hereby declare that the naming of Sieman Roelof Van der Heide and Joost Martinus Hermanus Parent as co-inventors is proper and that exclusion of these same inventors was made through error and without any deceptive intent on our part. We hereby declare and verify that the above Statement of Facts is true and all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application(s) and/or any patent(s) issued thereon.
